

KLOVE radio is an important part of our Christian lives here in San Antonio. It keeps us focused on our Awesome God and how He is in control of all things. It MUST NOT be displaced by an LPFM broadcaster that would provide other programming. KLOVE is a world-wide ministry and blesses even our troops overseas who can listen via the internet. Locally, the station apprises it's listeners of local Christian events that might not be in the paper and we would not be aware of them.

PLEASE keep our KLOVE on the air. Thank you.
